" Completely true to its title, this film bypasses the brain and immediately reaches all senses..." Moskauer Filmfestival 

"Eremenko ist ein Dokumentarfilm gelungen, in dem alle, ob Mathematiker, Laien oder einfach Filmliebende, etwas für sich finden können. Denn am Ende gehen die fünf Schachzüge auf. Und was bleibt, ist ein klares Bild, wie sinnlich und erlebbar Mathematik sein kann." Moskauer Deutsche Zeitung 

„The film (in Russian, "Chuvstvennaya Matematika") has proven an unlikely hit, packing cinemas all over the country...”
